Wakeel Program Overview

The Wakeel Program collects recurring annual contributions from our families, as additional operating funds to help compensate our teachers fairly and invest in our Islamic school. You may choose from two Wakeel Program plans, or choose not to participate in the Wakeel Program. Contributions are per family and not per student. Contributions can be made in full or in equal monthly installments with tuition.

Participants choosing Plan B, would need to submit tax returns to the FAST (Financial Assistance for School Tuition) committee and would refer to the Annual Household Income table for recommended contributions.

Note: Your financial contribution to support Islamic Education can be considered a donation and is tax deductible and Zakat eligible. ISF is a 501(c)(3) nonprofit organization. Our tax ID number is 75-235-2043.

Plan A:

A flat \$1000 per family annual contribution, paid in full or equal monthly installments with tuition.

Tax return information is not required for Plan A participation.

Plan B:

Annual contribution based on annual household income, reviewed by the ISF Financial Assistance for School Tuition (FAST) committee.

Plan B participants are required to submit supporting document such as tax returns and proof of annual income.
